

**SAFETY, HEALTH AND SURVIVAL SECTION  
OF THE INTERNATIONAL ASSOCIATION OF FIRE CHIEFS**

4025 FAIR RIDGE DRIVE • FAIRFAX, VA 22033-2868 • TEL: 703/273-0911 • [www.iafc.org](http://www.iafc.org)

The Safety, Health and Survival Section of the International Association of Fire Chiefs fully and enthusiastically endorses the National Fire Fighter Near-Miss Reporting System. We encourage every fire fighter and every fire department to participate in this important effort to share potentially life-saving information.

The Safety, Health and Survival Section is dedicated to the mission of reducing fire fighter deaths, injuries, disabilities and occupational illnesses. We are convinced that the Near-Miss Reporting System will provide invaluable assistance to this effort by providing first-hand reports about real problems and situations. By sharing this information, we can all contribute to making sure that *Everyone Goes Home* --- safe and healthy.

The team that has developed and implemented the Near Miss Reporting System deserves our thanks and congratulations for a job well done.

Chief I. David Daniels, Chair  
Safety, Health and Survival Section
